

Message to GCCRPCV from our Southern Tier Rep.

Hi everyone,

I hope that you're having a wonderful beginning to this new year! As your elected representative (of the Southern Tier Region) to the Board of the National Peace Corps Association, I'm hoping that you will keep in touch with me to let me know what you would like from NPCA, how NPCA can improve our communications, what we can do to support RPCVs and the larger Peace Corps community, etc. In this post-50th Anniversary year we are hoping to hear from more RPCVs and to strengthen the worldwide network of RPCVs.

If you are interested in service on the NPCA board, nominations for election to the Board to represent the "Europe, North, and East Africa" country of service representative position are being sought. Please visit the NPCA site (www.peacecorpsconnect.org (<http://www.peacecorpsconnect.org/>)) for more information. We also may appoint one or two "Board-elected" positions to the Board with special skill sets - if you have financial management, organizational governance, marketing, membership, or fundraising experience - i.e., the types of skills an organization's board needs, please let me know and I'll be happy to introduce you to the Governance Committee of the Board.

Please do not hesitate to call or write me if you have any questions. I look forward to seeing you at one of the upcoming NPCA events.

Barbara Junge
