

Dear GCC-RPCV Member:

Summer is here! Whew! We have a few things to clarify and announce so please read this email.

June 24, 2009 the Dallas Recruiter, Linda Tucker, will be holding her annual nomination party. What is at NOM party? Well, it is where the people that have made it through all of the application and interview process are ready to leave out within the next few months and your stories and support are needed at the Hobbit restaurant, however, you must RSVP due to the small are of the restaurant. Please respond to RSVP@Peacecorps.gov and confirm your attendance. Her phone: 214-253-5476.

July 2009 The 2010 PC calendar is going on sale July 4th on the web. Or call me to reserve and save the cost of mailing, I will bring to September reconnect and those to follow until they are all gone. We only ordered 75 so get yours now.

August 1, 2009 Rafting trip! Bandera, TX. E-mail Stacey_Abella@yahoo.com for concerns. Plus, see attached flyer on website under Stacey's [Special Events or click here.](#)

September 2009 Annual meeting for the Gulf Coast Council, no date set but I could set it for Sunday September 6th at my house. I need feedback, board. At that time, we need to nominate some new board members this year. I am in need of a special events person, archive person and a president.

I would like to mention one person that has come forward to take care of the archives, since she is a librarian, Lisa Reynolds. She served in Morocco. If we could have someone RSVP and nominate her for the ballot, I would appreciate it. She has come to several of our events and I would like to thank her for her community support, by helping us donate to KIVA on line for Kevin Barnard. If you would like to allocate funds to KIVA the next time please let us know.

EXTRA! I want to welcome a new member to our group! Robert Anderson. He served in Ecuador 65-67. He and his lovely wife came to the Red Onion reconnect. He said that they had a great time and enjoyed meeting new people. So thanks for coming and joining us.

If you have no idea when your dues are due, please just send the \$15 in and we will compensate your time on the roster. We are in need of funding to pay for web use, paper, the check book fees, etc. No money, no club.

If you are approached by the Texas Campaign for the Environment volunteer please take the time to listen to the spokesperson. They are recruiting new volunteers all of the time and in need of small donations in the name of Texas environmental issues. I was invited to come speak to the group of volunteers about PC. They are a very neat group of individuals!

Thank you for your time. Have a great 4th of July!
